MODELO DENTAL en BAFIX -1

MODELO en BAFIX -1 en caja protección **BAFIX-BOX**

BAFIXBOX

(REF: BX-BOX)

El más seguro y económico medio de envío de las prótesis dentales sobre modelos.

Por sus dimensiones y por el suplemento desmontable se adapta a la totalidad de los tamaños de modelos.

Una presentación digna que protege a las prótesis dentales de golpes, caídas y otros accidentes.

CAJA DE 56 UNIDADES

The safest and most economical means of delivery of dentures on models.

The size with its membrane, means it is suitable for all BAFIX trays.

Protects the model from being dropped and other accidents.

BOX 56 UNITS
